

MEMO

HORIZON TOWNHOUSES

POWER OUTAGES

ENTRANCE /EXIT GATES

During times of power outages, the entrance and exit gates must be opened manually. Please contact the board or the management as soon as possible at contact@horizontownhouseshoa.org

SPEEDING

SPEED LIMIT IS 5 MPH

As some have improved their driving speed, The Association asks that EVERYONE follow the House Rules. YOU ARE ONLY ALLOWED TO DRIVE AT 5 MPH INSIDE.

CARDBOARD BOXES

FLATTEN ALL BOXES

Cardboard boxes rule is simple, FLATTEN THE BOX AND THROW INSIDE THE BIN unless it is full. Then place between the fence and the bin. No trash or other materials is allowed

ENTRANCE WALK-IN GATE (PEDESTRIAN)

The walk-in Gate next to the Entrance Gate will be locked starting June 1st. For those needing access to enter, you will require a card key to open the walk-in gate. We urge all unit owners to apply for the card key. First card is free of charge (\$5 from second card).

Go to: <https://horizontownhouseshoa.org> and under "Forms", select [REQUEST FOR GATE REMOTE CONTROLS]

Cigarette buds and other items

Lately we have seen many cigarette buds, candy wrappers, used masks, beer bottles, and other small trash items being thrown on the grass, parking lot, and other grounds of the association. PLEASE DO NOT THROW YOUR TRASH IN THE COMMON AREAS!

STRAY DOGS, CATS, AND CHICKEN

In Guam law, if you feed a stray dog, cat, chicken, or other animals for several days, the animal belongs to you. We urge you to take the animals to the vet and keep them inside your unit. NO PETS MAY BE INSIDE THE PATIO WITHOUT THE OWNER PRESENT!

Always pickup after your pet!

Apply for the pedestrian walk-in gate card key. (Please email to: contact@horizontownhouseshoa.org)
