

Emergency Shelters to Open at 6:00 PM

The Guam Department of Education (GDOE) has prepared to open six (6) emergency shelters at 6PM, Monday, October 9th 2023

**Emergency shelters will NOT
open prior to 6PM**

If you need to evacuate to an emergency shelter, before you leave home, shut off your incoming electricity at the main breaker or switch, usually located by the electric meter or in the circuit breaker panel. If you are dependent on an electrically-powered life support system, consider having a backup generator. Otherwise, make plans ahead of time to go to an alternate location where electricity will be available.

The following emergency shelters open today:

Maria A. Ulloa Elementary School
